

CITY OF CHENEY

Application for curb cut/sidewalk replacement on property located within the limits of the City of Cheney, Kansas

Article 1 of the Cheney City Codes requires a permit for before constructing any public sidewalk, curb, driveway or before removing any curb or sidewalk for replacement or installation of a driveway. The landowner shall notify the building inspector prior to concrete installation to give ample time for the inspector to approve or require changes. Approval or disapproval shall be made by the building inspector.
