

Cheney Chamber Veteran's Banner

The Cheney Chamber of Commerce is sponsoring a project to support our local Veterans. The City of Cheney currently hangs banners (which they have a rotation of 4 different banners) on Main Street on the streetlights. Honor your Hometown Hero by featuring them on 2 sides of a 17-1/4" (width) x 44" (length) color banner. They will hang the Veterans banners the month prior to Veteran's day (starting in year 2024).

The cost for this banner is \$150. This price guarantees the banner being hung for at least 3 years. The banner can be renewed for \$75 for another 3 years.

You can also order a banner for personal use for \$75.
