

# How to Handle Your Trash & Recycling

Extra trash can be placed next to the trash cart at the curb with the following limitations:

- ▶ Two (2) personal receptacles (no larger than 32-gallons) **OR**
- ▶ Five (5) bundles of limbs/twigs (no larger than 4' long x 12" diameter)
- ▶ Additional trash and recycle carts are available for an additional monthly fee. Contact City Hall 542-3622.

## Boxes

- ▶ Boxes must be placed **INSIDE** your trash or recycling cart **OR**
- ▶ Place box inside bag and set next to trash cart and it will be considered part of the five additional bags.
- ▶ Boxes sitting next to the trash cart will **NOT** be picked up.

## Recycling

- ▶ All recyclable material must be inside the recycle cart.
- ▶ Waste Connections will not pick up extra recycleables next to the recycle cart.
- ▶ Boxes set next to the recycle cart will **NOT** be picked up. (Boxes need to be broken down to fit inside the Recycle Cart.)

## Large Item Disposal

- ▶ Contact City Hall by Friday at 10 am and Waste Connections will pick-up your large item on Monday.
- ▶ Cost is \$15 for most items and \$30 for mattresses or box springs. Carpet is based on square footage.

## Carts

- ▶ Contact City Hall if your cart is broken and we'll drop off a replacement.
- ▶ A new cart will not be given if your cart smells. Resolve this issue by washing out your cart when it's empty.
