I hereby request the above services at the address stated, to be provided by the City of Cheney, KS. I understand that these services are provided under the following conditions:

- 1) A first connection, non-refundable set up charge of \$25.00 for gas and \$25.00 for water services will be collected upon signing this contract. The monthly trash fee of \$15.00 will also be paid at this time.
- 2) Bills are due and payable upon receipt.
- 3) Bills are considered delinquent and late charges added after the 17th of the month.
- 4) Bills that are not paid by the designated cut-off day are subject to termination.
- 5) In order to restore terminated service, a reconnect fee of \$25.00 for each service will be collected, any account balance paid in full, plus the deposit will be doubled before reconnection.
- 6) If I am unable to meet these requirements, I may request a fair hearing at least three business days before the designated cut-off day to make arrangements to satisfy my obligations.
- 7) Meters are the property of the City and may not be tampered with, turned off or on, or otherwise abused, subject to termination of service.
- 8) It is understood that the City does not guarantee uninterrupted service.
- 9) All meters will be available to the meter reader or service man upon request or on designated reading date. Meters that cannot be read will be subject to estimated billing.
- 10) A letter of credit, deposit or cosigner is required for new accounts as outlined in the City of Cheney deposit policy.
- 11) **K.S.A. 12-856, Section 1 states that any person residing or occupying a property to which municipal utility services are provided must pay all fees in full upon vacating the property. The municipality shall not be required to contract with a person if such person has outstanding or unpaid charges for utility services provided by such municipality.**

In consideration for the services rendered, I agree to the above conditions for provisions of service.
